** Regular Lab hours are 07:00 to 21:00 on business days. Working outside these opening hours requires an alarm code. It takes an average of 2 weeks to get your requested alarm code.

- > Using certain machinery on your own requires an extra course.
- > Some of our machines and stations can only be used by 1 person at a time. Booking in advance is required when depending on usage for a deadline.
- > Part-time members have to reserve their workspot, first-come first-served applies if you do not have a reservation.
- > Bioneers check in & out with the coordinators when using the labs.
- > All prices are exclusive of VAT.
